

Big spa features. Small spa package.  
*That's* European Touch.

EUROPEAN TOUCH™  
PETITE™

Tub cover eliminates splashing when moving spa and provides storage for products and power cord. Fill/drain hoses feature quick-disconnect fittings. Cover/hoses included with spa.

Footrest adjusts completely up or down to position feet for pedicure or massage, adding comfort for both client and technician.

Four specially designed casters ensure easy movement throughout salon or spa.

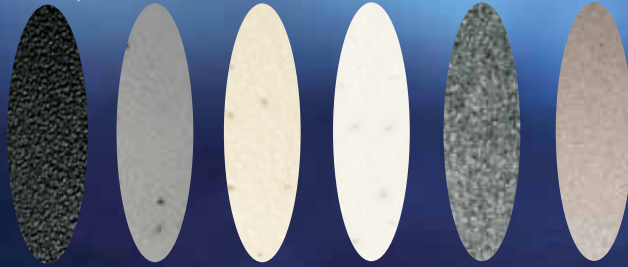

**PETITE SPA™** Since the day we introduced the first professional pedicure spa in 1985, we've never stopped working to make sure every product we offer is the very best available. Today, we offer a full line of refined, technologically advanced spas that have earned the recognition and respect of top technicians, spas and salons throughout the world.

One of our most popular and unique spas is our Petite Spa. Because many of our customers don't have the space or need for a full size pedicure spa, we created the perfect alternative. This compact spa includes all the quality European Touch customers have grown to expect, yet offers exceptional mobility and simplified operation in a self-contained, portable unit. For the technician, simplified controls make filling, draining and operating the spa

Choose from six rich colors to create the ultimate match for your unique spa environment! Available in Gray, Almond and White Granite, Black, Greystone or Sandstone finishes.

a snap. And as for their clients, the luxurious comfort of two deeply invigorating, hydro-therapeutic whirlpool jets is enough to make any pedicure treatment a heavenly experience.

No fixed plumbing hookups are needed. To fill, just connect the fill hose to any faucet. And when you're ready to drain the spa, simply attach the drain hose to the spa's outlet connection and activate the "On" switch. The water will drain quickly and effortlessly. (Fill and drain hoses are included.)
